

Productivity Places Program

Funding to support the upskilling of existing workers

ASC Training & Development is seeking commitments from organisations to form partnerships to access Productivity Places Program (PPP) funded training for existing employees.

PPP funding submissions can be made to support training for existing employees that are;

- Resident in South Australia,
- At least 17 years of age,
- Australian citizens or humanitarian refugees,
- Employed for at least an hour a week.

Qualifications that ASC T&D are being proposing for this round of PPP funding include;

- Cert IV in Training and Assessment
- Cert IV and Diploma of Project Management
- Cert III and Cert IV in Frontline Management
- Diploma of Management
- Cert IV and Diploma in Government
- Cert IV and Diploma of Government (Project Management)
- Cert III and IV in Business

PPP Questions and Answers

- Q. How much does it cost my organisation for each staff member accessing the program?**
- A.** The program requires that employers contribute 10% of the cost of the training their employee undertakes. This may be offset by other funding opportunities that are available. Eligibility criteria does exist, please talk to your ASC Training Consultant for more information.
- Q. What is required of my organisation to participate?**
- A.** The funding proposal for PPP requires a statement from employers outlining the number of employees they are committing to and some information about the relationship you have with ASC T&D. Your ASC T&D Consultant can provide assistance if you require
- Q. When does the program commence?**
- A.** Closing date for funding proposals is 30 July 2009. We anticipate that training will be available for your employee to commence this calendar year.
- Q. Is there a website I can access for more information?**
- A.** Links to the PPP website can be found at <http://www.dfeest.sa.gov.au/>
